Problem Statement in Focus	One of the Problem statements listed on CCRP webpage , Or, Suo Moto
Problem Statement (in case of suo moto)	Problem statement in 100 words
Problem Id of Problem Area in Focus	NNN (where NNN refers to the Problem Id as given on CDOT webpage, <b>000</b> in case of suo moto)
Proposed Solution	Brief Description in 100 words
Technical Feasibility	Feasibility & responsibility of the technical claims, methodology used/to be used for validation, roadmap for technology development/Pilot readiness (100 words)
Innovative/Novelty Feature of Product/Idea	Description in 200 words
Impact/Benfits of Proposed Solution	50 words (Market size, Opportunity and Technology impact on target segment of consumers)
End-to-end solution	Proposal provides an integrated solution with a potential for impact substitution (100 words)
Cybersecure	Cybersecurity has to be a very important focus area. All solutions proposed should have how they are cybersecure. (100 words)
Commercialization Strategy	Utilization of technology to create a product/service; Its positioning & value addition for the intended customers; Plan to go to market; Challenges addressed
Team	Technical & business expertise with demonstrated competencies
Expected Fund Requirement	(Rupees In lakhs) (Also mention in words)
Expected Time for Delivery of Complete solution	(In years)
Expected Customers/Clients	Max 50 chars
Confirmation  1. Has the company been bl issues? Yes/No	acklisted/debarred by any agency/state government/central govrnment authority for any
Declaration  1. I, hereby, certify that all t knowledge.  Digital Signature	he facts/information/details provided above are true and correct to the best of my
