PAID INTERNSHIP SCHEME AT C-DOT

Centre for Development of Telematics, a premier Telecom Technology R&D Centre of Govt. of India intends to engage interns, under its "Paid Internship Scheme' for which applications are invited from eligible students from top 30 Engineering Institutes as per latest NIRF Ranking **(2025**) in India. The internship shall be at C-DOT campuses at Delhi/Bengaluru. The eligibility conditions applicable and other details are as follows.

Objective: The objective of this Paid Internship Program is to attract young talent from top 30 engineering institutes as per NIRF ranking for interning at C-DOT for R&D work. It will provide an opportunity to young scholars to contribute in the C-DOT work and have an insight into the related technical work and possible future employment.

Eligibility: Indian students from top 30 Engineering Institutes as per the latest NIRF Ranking, studying Computer Science or Electronics & Communication or equivalent branch relevant to C-DOT (i.e. AI, Data Science, ML, IT etc), pursuing the following courses shall be eligible to apply under this internship scheme:

B.Tech / BE (EC/CS)	Should have completed second year exams and results for the same should have been declared. **i.e. Current Semester should be between 5 to 8**
CGPA/Percentage	**Minimum CGPA 7.0 out of 10 / 70% or above** in B. Tech/BE (As on last semester for which result has been declared

Note: Possessing minimum qualifications as above shall not guarantee Internship in C- DOT. Candidates having exposure in the area of intended internship with good academic background shall be given preference.

Duration of Internship The period of Internship shall be a minimum of **three months** and a maximum of one year. Interns not completing the minimum requisite period will not be issued any certificate. No-objection certificate (for the duration of internship) from the competent authority of the institute should be submitted by the candidate at the time of application. **For final year student, it should be ensured that the duration of internship mentioned in the 'No Objection Certificate' does not go beyond the last working day of the last semester of the course. A candidate can apply for internship only once during his/her course.** This scheme also allows to complete a semester at C-DOT based on R&D work with supervision from both C-DOT and the Institute.

Stipend Amount:

(a) Interns shall be paid a consolidated stipend of 50,000/- (Fifty Thousand Only) per month subject to mandatory attendance requirement.

(b) In addition to the stipend, they will be allowed to use basic facilities like C-DOT canteen at subsidized rates.

Vacancies. Total number of interns to be engaged shall **be maximum 50** interns per year **. **And a maximum of 5 interns** would be selected from one institute for internship in a calendar year,

Interns generally are inducted twice each year during Summer and Winter based on the requirement. Winter Batch this year shall start from **11th January 2027** onwards based on the requirements of C-DOT.

Applications portal(https://paid-internship.cdot.in) for the winter batch 2027 shall be open

from **19th November to 30th November 2026.**

**Final vacancy position may vary and offer shall be issued based on Final Vacancy position at the time of Final Selection.

C-DOT on conclusion of recruitment process will publish the final results on its web-site. C-DOT will, therefore, not entertain any query regarding recruitment/selection process of paid interns. Further, C-DOT will not enter into any correspondence with the candidates about reasons for their non-selection.

Procedure to Apply

Follow the steps below to apply for the official C-DOT Paid Internship Programme. Ensure all documents and details are ready before you begin.

Visit the Official Portal:
Go to the C-DOT Paid Internship site: https://paid-internship.cdot.in.
Register (First-Time Users):
Click "Register" and enter your basic details — Name, Email, Institute, Degree, Semester, CGPA/Percentage.
Verify Email via OTP:
Verify your email with OTP. This completes your registration.

Login (Existing Users):
Use your registered email and password to login.
Fill the Internship Form:
Go to "Apply".
Upload all required documents including: CV/Resume, academic marksheets, photograph, institute No-Objection Certificate (NOC).
Review & Submit:
• Carefully check all fields before final submission.
• Only one application per candidate is allowed.

Application Withdrawal:
• The applicants can withdraw their application by logging into their account and clicking on 'withdraw Application' and confirm it.
Selection & Offer:
• Shortlisted candidates will be contacted via email.
• Offers are based on eligibility, academic background and demand.

In case, candidate is not able to submit the form by closing date and time, or the application is otherwise incomplete, his/her candidature will summarily be rejected and no further query or complaint will be entertained in this regard.
The application shall be treated as complete only if application Form is completed in all respect, final Submission of the form is done and confirmation mail is received.

Important Points to note before applying:

1) Applicants shall ensure that all required documents are available before starting the application. All personal, academic, and internship-related details, including internship start and end dates, must be carefully verified before final submission.

2) Only students belonging to the listed 30 colleges are eligible to apply. Applicants must select their own college from the drop-down list during registration. Selection of any other college or misuse of the drop-down options by students from non-listed colleges will lead to immediate rejection of the application at any stage.

3) During registration, any incorrect selection of college or incorrect entry of academic details—such as degree, current semester, CGPA, or percentage—will result in immediate rejection of the application.

4) **The NOC period should cover the entire duration of the internship and should be duly signed by the Competent Authority of the Institute. Application with unsigned NOC will be rejected.**

5) For any queries or assistance related to the application process, applicants may contact: support-paidintern@cdot.in

6) Uploading a resume is mandatory and must be submitted under the Additional Documents section, along with other additional documents, if any.

List/panel of shortlisted candidates for interview will be informed through individual e-mails.

Final offer letters, post selection, will be sent to selected candidates and their respective institutes through e-mail.
