PAID INTERNSHIP SCHEME AT C-DOT

Centre for Development of Telematics, a premier Telecom Technology R&D Centre of Govt. of India intends to engage interns, under its 'Paid Internship Scheme' for which applications are invited from eligible students from top 30 Engineering Institutes as per NIRF Ranking in India. The internship shall be at C-DOT campuses at Delhi/Bengaluru. The eligibility conditions applicable and other details are as follows.

Objective: The objective of this Paid Internship Program is to attract young talent from top 30 engineering institutes as per NIRF ranking for interning at C-DOT for R&D work. It will provide an opportunity to young scholars to contribute in the C-DOT work and have an insight into the related technical work and possible future employment.

Eligibility: Indian students from top 30 Engineering Institutes as per the latest NIRF Ranking, studying Computer Science or Electronics & Communication or equivalent branch relevant to C-DOT(i.e. AI, Data Science, ML, IT etc), pursuing the following courses shall be eligible to apply under this internship scheme:

B.Tech / BE (EC/CS)	Should have completed second year exams and results for the same should have been declared. i.e. Current Semester should be between 4 to 8
CGPA/Percentage	Minimum CGPA 7.0 out of 10 / 70% or above in B. Tech/BE (As on last semester for which result has been declared)

Note: Possessing minimum qualifications as above shall not guarantee Internship in C-DOT. Candidates having exposure in the area of intended internship with good academic background shall be given preference.

Duration of Internship: **The period of Internship shall be a minimum of three months and a maximum of one year. Interns not completing the minimum requisite period will not be issued any certificate.** No-objection certificate (for the duration of internship) from the competent authority of the institute should be submitted by the candidate at the time of application. For final year student, it should be ensured that the duration of internship mentioned in the 'No Objection Certificate' does not go beyond the last working day of the last semester of the course. A candidate can apply for internship only once during his/her course. This scheme also allows to complete a semester at C-DOT based on R&D work with supervision from both C-DOT and the Institute.

Website : www.cdot.in

Stipend Amount:

(a) Interns shall be paid a consolidated stipend of 50,000/- (Fifty Thousand Only) per month.

(b) In addition to the stipend, they will be allowed to use basic facilities like C-DOT canteen at subsidized rates.

Vacancies. Total number of interns to be engaged shall be maximum 50 interns per year **.

Interns shall be inducted twice each year, Summer Intern Batch shall start from 15th April onwards and Winter Intern Batch shall start from 1st January onwards based on the requirements of C-DOT.

Applications portal for the summer batch 2026 will open on **1st Feb 2026 and will remain open until 28th Feb 2026.**

**Final vacancy position may vary and offer shall be issued based on Final Vacancy position at the time of Final Selection.

Procedure to Apply Interested and eligible candidates must fill and submit their application for internship and upload all required documents as guided through the intern application portal including NOC from institute, application form in defined template, a photograph, marksheets and CV. Applicants while filling application form should mention period of availability to attend internship as allowed by their institutes.

Important Points to note before applying:

- 1) Applicants shall ensure that all required documents are available before starting the application. All personal, academic, and internship-related details, including internship start and end dates, must be carefully verified before final submission.
- 2) Only students belonging to the listed 30 colleges are eligible to apply. Applicants must select their own college from the drop-down list during registration. Selection of any other college or misuse of the drop-down options by students from non-listed colleges will lead to immediate rejection of the application at any stage.

- 3) During registration, any incorrect selection of college or incorrect entry of academic details—such as degree, current semester, CGPA, or percentage—will result in immediate rejection of the application.
- 4) The NOC date need not match the internship Start Date and End Date exactly; however, it must clearly cover the entire duration of the internship.
- 5) 10th, 12th, and semester-wise / degree marksheets must be merged into a single PDF file and uploaded under the “Results” section.
- 6) Applicants must strictly adhere to the prescribed document formats and maximum file size limits as indicated below:

Document Format & Size Limits

- Photograph: JPG / JPEG/PNG — Max 500 KB
- NOC: PDF — Max 1 MB
- Results (Mark sheets): PDF — Max 10 MB
- Filled up application form(KMG-01) : PDF - Max 1 MB
- Additional Documents: PDF — Max 1 MB

- 7) For any queries or assistance related to the application process, applicants may contact:

support-paidintern@cdot.in

- 8) Uploading a resume is mandatory. The resume must be appended to the duly filled and scanned KMG-01 Form and uploaded as a single document under the Application form section.

Steps to apply:

1. Visit <https://paid-internship.cdot.in>

2. For First-Time Users (Register):

- Go to Register page.
- Enter your details (Name, Email, Institute, Degree, Semester, CGPA/Percentage).
- Please verify carefully before submitting, as details cannot be changed after registration.
- Complete OTP verification to finish registration.

3. For Existing Users (Login):

- Go to Login page.
- Enter your registered email, verify OTP, and log in.

4. On the Home Page:

- Download the KMG-01 Form, fill it duly, scan the completed form, and append your resume to it. Keep the combined document ready for upload while completing the rest of the application.
- Go to Application → Apply.
- Fill in all required application details carefully. Upload the photograph, NOC, results, application form, and any additional documents (if any) in their respective designated fields.
- After completing the form, click on the Submit button.

Important Note

- You can submit only one application.
- If you made a mistake in your submitted application:
 - First, click Delete to remove the incorrect one.
 - Then, click Apply again and fill in the correct details.

Shortlisted candidates for interview will be informed through individual e-mails.

Final offer letters, post selection, will be sent to selected candidates and their respective institutes through e-mail.
