TRINETRA-360
(360-DEGREE CYBER SECURITY
EVALUATION PLATFORM)
“EMPOWERING ORGANIZATIONS
TO STAY AHEAD OF CYBER
THREATS”

▶ STRATEGIC ADVANTAGES

- **Holistic Risk Assessment:** Gain a 360-degree view of your organization resilience.
- **Proactive Threat Detection:** Identify risks non-intrusively before they escalate into breaches.
- **Prioritized Risk Management:** Focus finite security resources on the most critical likely threats.
- **Continuous Security Improvement:** Leverage continuous feedback and analytics to stay ahead of the dynamic threat landscape.
- **Automatic Active Asset Discovery:** The platform automatically discovers your active digital assets and scales effortlessly as your organization grows.

▶ CORE CAPABILITIES

- **External Attack Surface Management (EASM):** Continuously discover and classify all Internet-facing assets to Identify exposed vulnerabilities and misconfigurations.
- **Dark Web Monitoring (DWM):** Proactively monitor hidden forums and marketplaces to detect data leakage.
- **Social Media Threat Intelligence (SMTI):** Identify threats, Impersonations and data exposure originating from social media platforms.
- **Brand Monitoring:** Actively monitor for Brand Impersonation, domain squatting & fraudulent use of corporate assets to safeguard your reputation.
- **Supply Chain Risk Management (SCRM):** Perform due diligence and continuous monitoring to evaluate and mitigate third-party security risks.
- **Compliance Monitoring:** Perform PCI DSS, HIPAA & NIST compliance checks for websites and SSL security configurations.
- **Real-time AI Assistance:** Receive immediate AI-driven explanations and remediation solutions for detected vulnerabilities.
- **Cyber Intelligence:** Leverage curated, high fidelity intelligence feeds to gain critical Insights into emerging threats and adversary TTPs.

▶ KEY SERVICE OFFERINGS

- **Data-Driven Security Posture Quantification:** Receive a precise, quantifiable risk score to objectively gauge your organization's security posture.
- **Actionable Insights:** Gain access to detailed analytical reports that pinpoint security weaknesses and provide prioritized recommendations.
- **Intuitive SaaS Platform:** A user-friendly, subscription-based platform designed for seamless registration and navigation.
- **Non-Intrusive & Agentless Continuous Monitoring:** Stay perpetually informed through real-time alerts and security posture updates without any software installation.
- **Swiftly Expandable:** Effortlessly onboard new organizations, automatically discover their active digital assets and gain Immediate, actionable Insights scalable to your entire sector.
